3. Environmental Characteristics

Product Environmental Characteristics						
Environmental Category	Instructional Section	Data Point	Reference statement			
Recycled Content	Section 3.1	82.34%	"Product contains at least 82.34% of recycled materials"			
Recyclability	Section 3.2	mostly	"Product is Mostly recyclable"			
Recyclability (Battery)	Section 3.2	mostly	"Battery is Mostly recyclable"			
Precious Metals	Section 3.3	N/A	"Product does not exceed 1mg of precious metals"			
Rare Earth Materials	Section 3.4	N/A	"Product does not exceed 1mg of rare earth minerals"			
Hazardous Substances	Section 3.5	See Table Below	Product does not contain SVHC substances above 0.1% w/w.			
Current SVHC Candidate list (Date)						
<input type="checkbox"/>		Product contains one or more REACH Candidate List of Substances of Very High Concern (SVHC) for authorization, based on the current Candidate List, above 0.1% w/w per Article ¹ . List SVHC names in the section below:				
<input checked="" type="checkbox"/>		Product does not contain one or more REACH Candidate List of Substances of Very High Concern (SVHC) for authorization substances, based on the current Candidate List, above 0.1% w/w per Article ¹				
List SVHC Here						
Sub Product item number/name	Material name	Material weight (in grams)	SVHC name	SVHC CAS#		
Packaging Environmental Characteristics²						
Recycled Content (Packaging)	Section 3.1	100%	"Packaging contains at least 100% of recycled materials"			
Recyclability (Packaging)	Section 3.2	completely	"Packaging is Completely, Mostly recyclable"			
Hazardous Substances	Section 3.5	See Table Below	Product does not contain SVHC substances above 0.1% w/w.			
Current SVHC Candidate list (Date)						
<input type="checkbox"/>		Product contains one or more REACH Candidate List of Substances of Very High Concern (SVHC) for authorization, based on the current Candidate List, above 0.1% w/w per Article ³ . List SVHC names in the section below:				
<input checked="" type="checkbox"/>		Product does not contain one or more REACH Candidate List of Substances of Very High Concern (SVHC) for authorization substances, based on the current Candidate List, above 0.1% w/w per Article ¹				
List SVHC Here						
Sub Product item number/name	Material name	Material weight (in grams)	SVHC name	SVHC CAS#		

¹ Article based on the ECJ Judgment C-106/14 (10 September 2015) on the interpretation of Art. 7.2 and 33 of the REACH regulation
² For products that are primarily packaging and printed materials only this section needs to be completed. Such as POSA cards, Windows/Office Software without the USB drive, etc. DVD and jewel cases are considered product and must complete the Product sections for these items.
³ Article based on the ECJ Judgment C-106/14 (10 September 2015) on the interpretation of Art. 7.2 and 33 of the REACH regulation

Printed Materials Environmental Characteristics ⁴				
Recycled Content (Printed materials- i.e. flyer/manuals)	Section 3.1	100%	"Printed material contains at least 100% of recycled materials"	
Recyclability (Printed materials- i.e. flyer/manuals)	Section 3.2	completely	"Printed materials are Completely recyclable"	
Hazardous Substances	Section 3.5	See Table Below	Product does not contain SVHC substances above 0.1% w/w.	
Current SVHC Candidate list (Date)				
<input type="checkbox"/>	Product contains one or more REACH Candidate List of Substances of Very High Concern (SVHC) for authorization, based on the current Candidate List, above 0.1% w/w per Article ⁵ . List SVHC names in the section below:			
<input checked="" type="checkbox"/>	Product does not contain one or more REACH Candidate List of Substances of Very High Concern (SVHC) for authorization substances, based on the current Candidate List, above 0.1% w/w per Article ¹			
List SVHC Here				
Sub Product item number/name	Material name	Material weight (in grams)	SVHC name	SVHC CAS#

Company declares that each product listed above complies with all applicable laws, rules, regulations, orders, and requirements of governmental authorities in all jurisdictions in which the Product will be manufactured, distributed, transported, or sold, and that each Product meets Microsoft's Standards and Requirements if required below. Upon request, Company will provide Microsoft with documentation demonstrating conformance, including material declarations, SDS datasheets, test reports, supplier letters or declarations of compliance. Please note: Company bears all liability associated with assessing and meeting compliance obligations associated with the Products. References to Microsoft specifications are for informational purposes only and should not be relied upon for company legal compliance purposes.

Supplier Code of Conduct: Company and Product meet Microsoft's Supplier Code of Conduct, which sets forth requirements in the broad areas of business integrity, labor practices and human rights, occupational health and safety, environmental regulations and protection, and protection of assets and intellectual property.
